

## Let's Reassemble To Continue Our Collective Progress...

in building better supports around the new NC Star Rated License System.

You and other early childhood educators across Durham County are cordially invited to a special follow-up forum.

The forum to be held Tuesday, Sept. 18, 2007, is based on child care community's input from the first forum held last April. During April's forum, *A Changing Event*, early childhood educators gave Durham's Partnership for Children and its funded early care and education programs—delivered through Child Care Services Association and Durham's Alliance for Child Care Access—candid and insightful feedback on how best to support NC Licensure Reassessments.
